Innovative Partnerships for Sustainable Society

- Topic/ Theme: Contribution of diverse partnerships toward a new space era
- Planned date and time: Friday, November 29, 60 min
- Venue: Plenary
- Format of the event: Presentation and Panel discussion
- Description of the event:
  This session intends to provide an opportunity to discuss potential partnerships among the diverse players in and outside the space community which will contribute to sustainable society.
  As this session is the last session of APRSAF-26 and the SDGs are shared goals for everyone, the audience can participate in the discussion, treating the session topic as their own issue.
