

**The 12th Session of the Asia-Pacific Regional Space Agency Forum
(APRSAF-12)**

AEROSPACE EDUCATION IN MYANMAR

Dr. Zaw Min Aung

Professor

Myanmar Aerospace Engineering University,

Myanmar

Myanmar

- New Market Oriented Economy
- Preventing Catastrophic Natural Disasters

To Undertake This Task More Effectively

- Introducing Satellite Image Processing Systems and Aerospace Technology

Myanmar Aerospace Engineering University was founded on 15th February 2002

Myanmar Aerospace Engineering University

Location: Meikhtilar Township, Upper Myanmar

Academic Year of First Batch: 1st August 2002

Recruit: Students Qualified with High Marks in Matriculation

Current Number of Students: 294

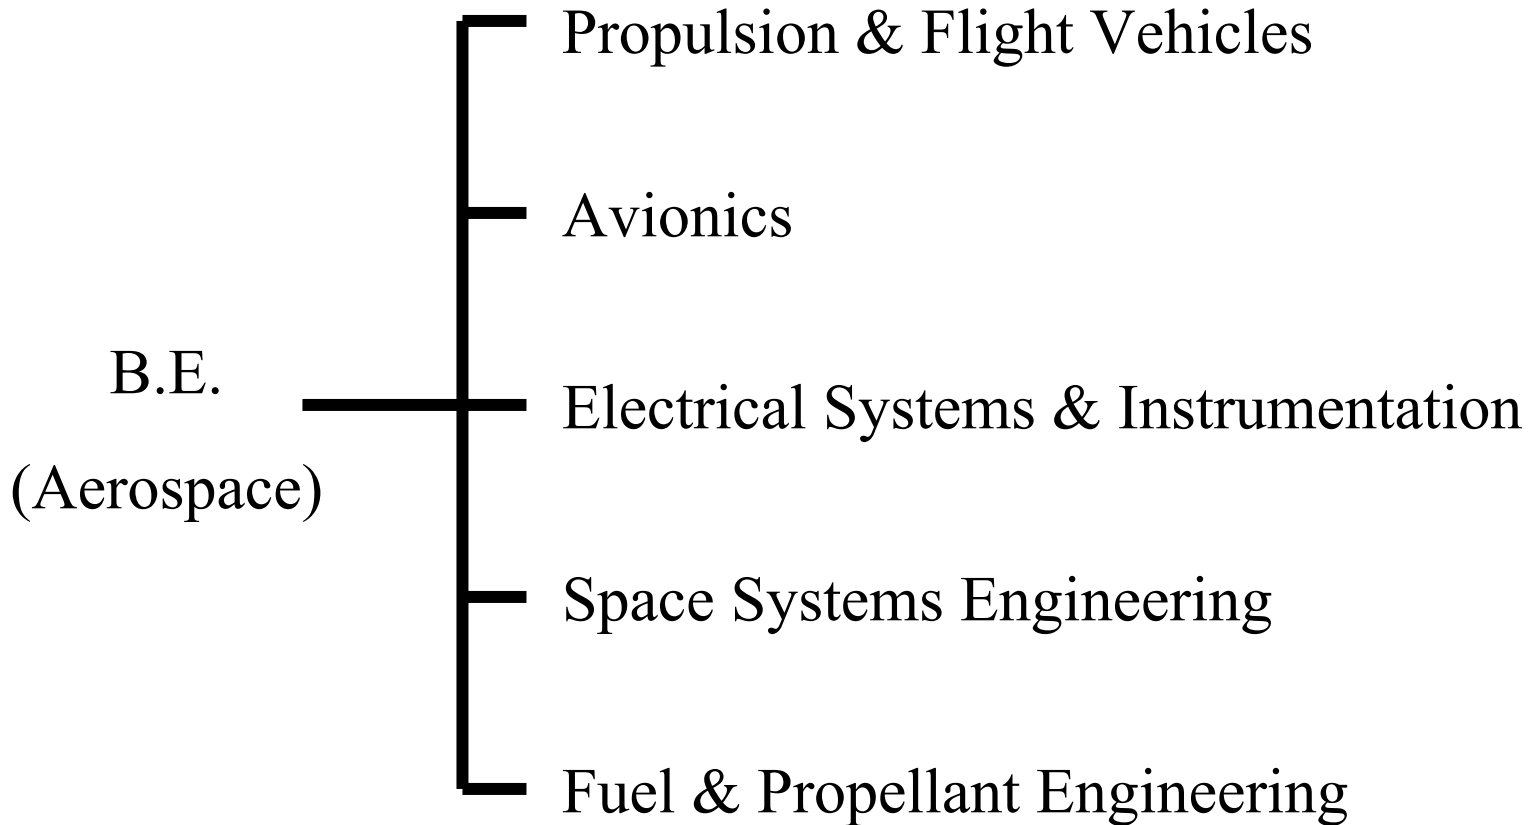

Motto:

“To Produce Highly Qualified Engineers through Quality Education”

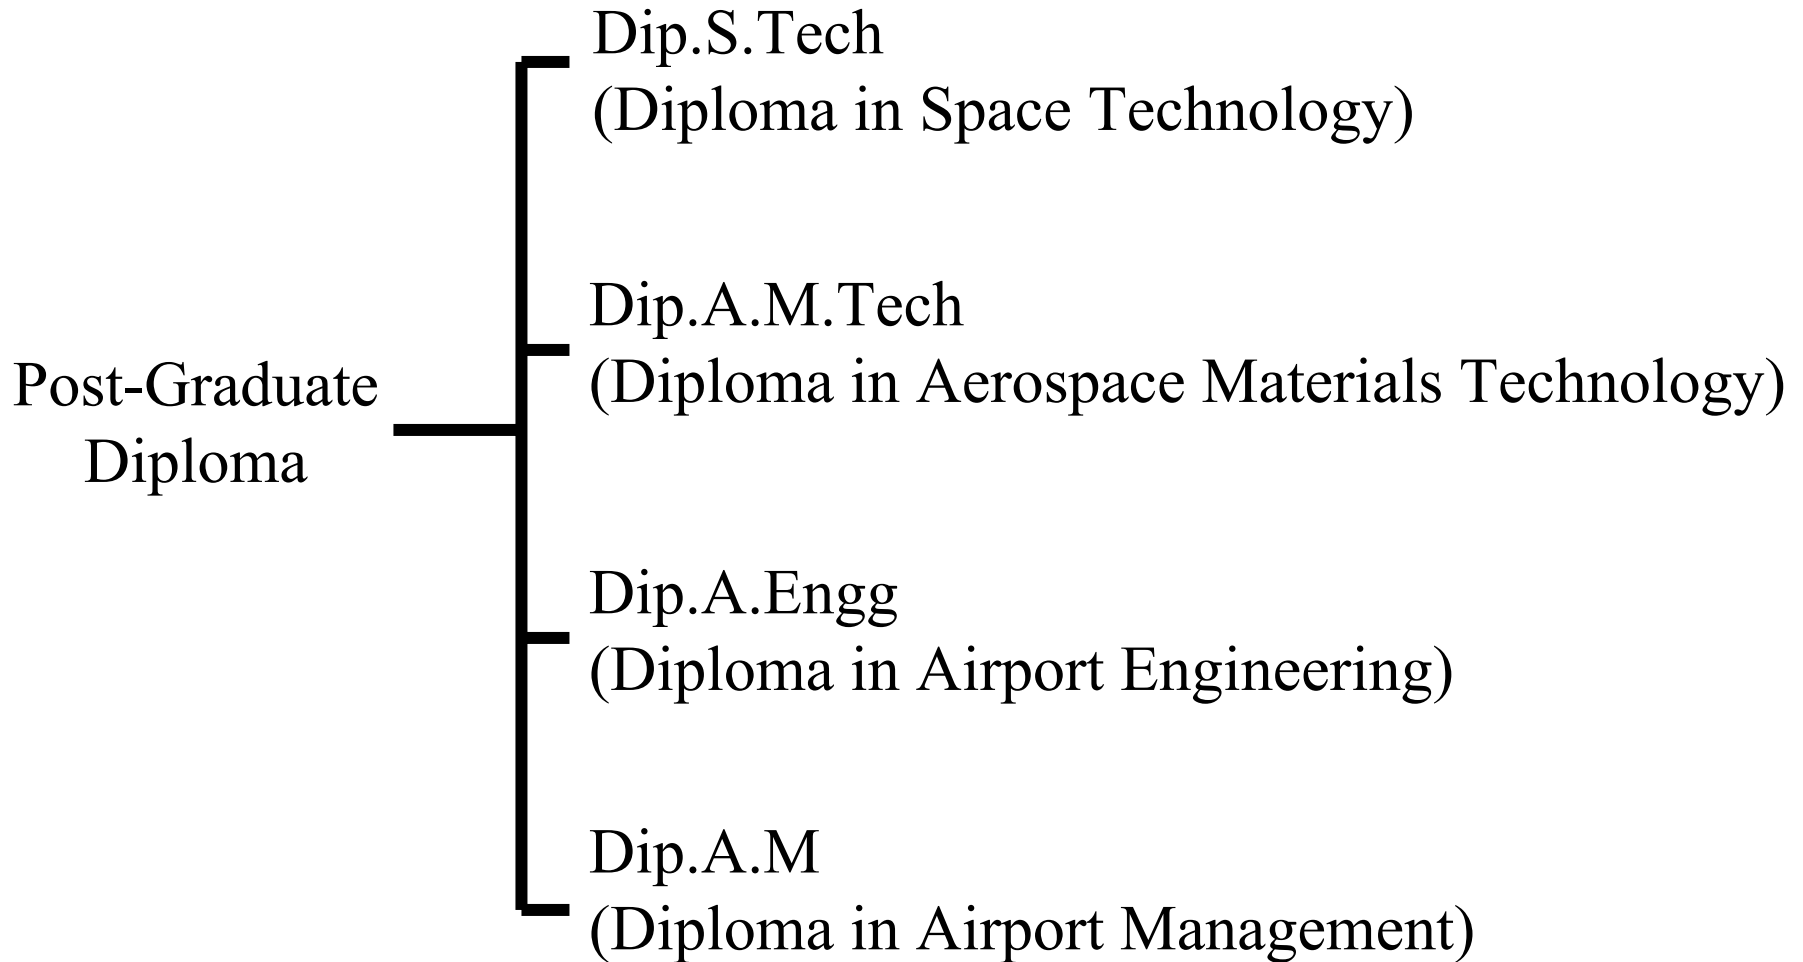

Objectives of Myanmar Aerospace Engineering University

1. To Contribute to the Development of the State with Aerospace Technology
2. To Bring out Skillful Aerospace Engineers
3. To Take Measure for the Constant Advancement of Aerospace Technologies

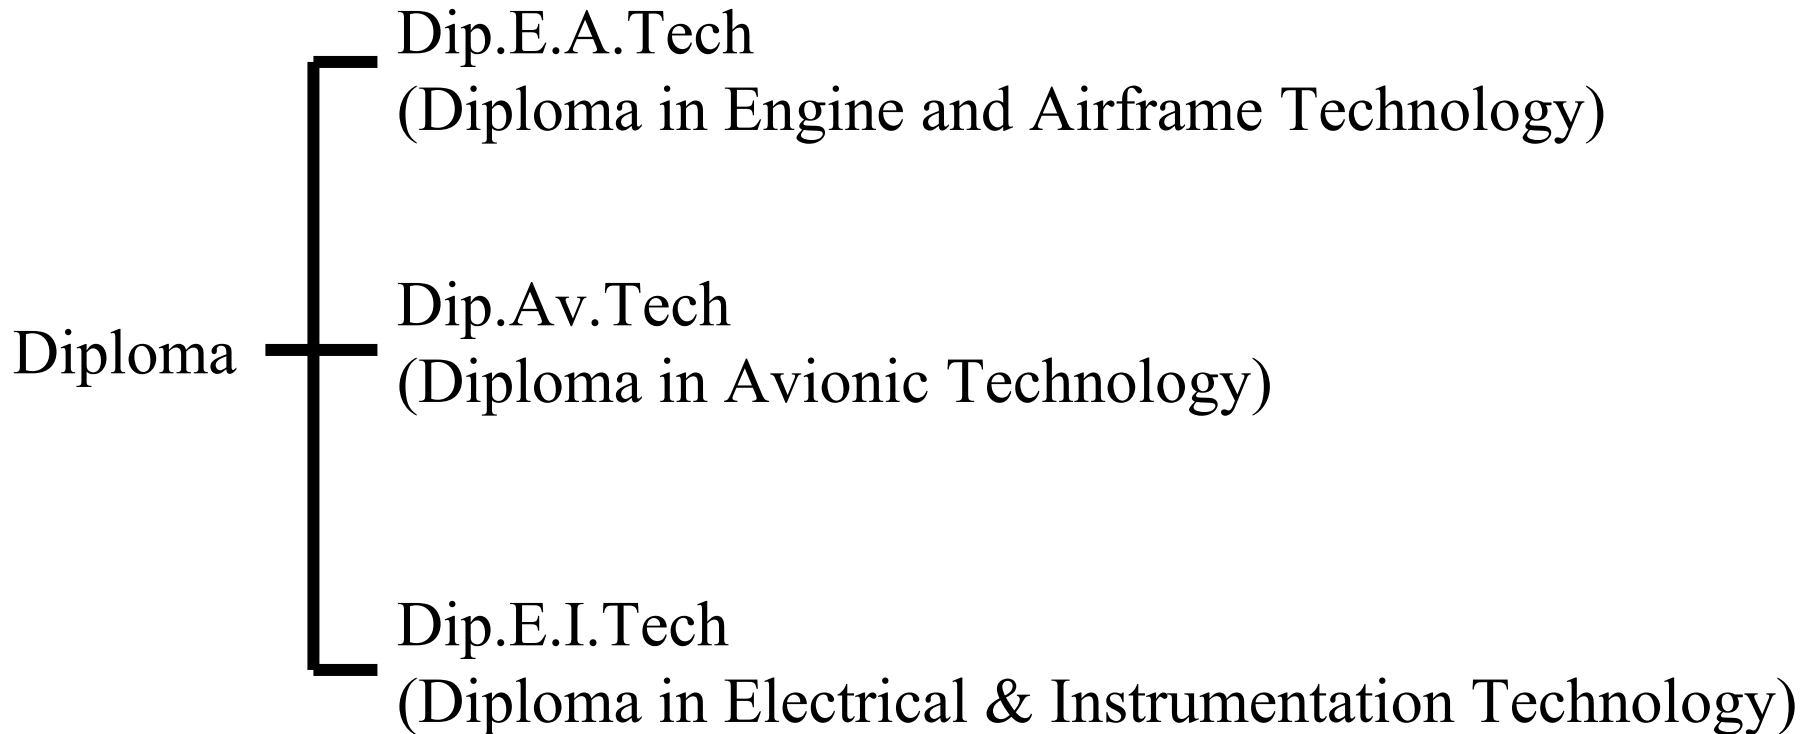

Degrees Conferred by Myanmar Aerospace Engineering University

Post-Graduate Diploma Conferred by Myanmar Aerospace Engineering University

**Diploma Conferred by
Myanmar Aerospace Engineering University**

Departments of Specialized Subjects Of Myanmar Aerospace Engineering University

1. Department of Propulsion & Flight
2. Department of Avionics
3. Department of Electrical System & Instrumentation
4. Department of Space Systems Engineering
5. Department of Fuel & Propellant Engineering
6. Department of Space Technology
7. Department of Aerospace Materials Technology
8. Department of Airport Engineering
9. Department of Airport Management

Departments of Additional Subjects Of Myanmar Aerospace Engineering University

1. Department of Myanmar
2. Department of English
3. Department of Engineering Mathematics
4. Department of Engineering Chemistry
5. Department of Engineering Physics
6. Department of Computer Science
7. Department of Workshop Technology

Conclusion

- Our university is still in its infancy.
- Seeking international co-operations and assistances.
- Suggestions and Criticisms from various scholars are welcomed.
- It will become a renown university.

Thank You Very Much.
