Call for Participation for the NSLI 2nd Phase

- The 2nd phase of APRSAF National Space Legislation Initiative (NSLI) was launched from APRSAF-27, 2021 to APRSAF-29, 2023.

- The NSLI membership is open to national governmental organizations in Asia-Pacific countries. Organizations that would like to join the NSLI newly, please contact NSLI Secretariat (NSLI-Secretariat@ml.jaxa.jp) by February 15, 2022.

- Please also send the Study Group member list by using the attached format.

- The 2nd phase is basically operated under the same framework (same structure and modality).
- The NSLI’s main goal is to make a report for submission to the UNCOPUOS/Legal Subcommittee; the scope of the report may be modified depending on the participants' interests. (i.e., the addition of new questions to the information form)
- The detailed operation of the 2nd phase (i.e., TOR, workplan, new topics) will be discussed at the first meeting which is expected to be held in March 2022.
- Each NSLI participating organizations nominate the space policy and law practitioners to the Study Group members. The experts from academia and industry can be the Study Group members if designated by the NSLI participating organizations. The Study Group member can be modified at any time.
